Summer Newsletter.

We have had visitors at ASC over the past few weeks from Impact Housing group who are organising a mural of mosaics under the subway on Burton Road. They held a workshop for us where we designed our own mosaics, below are some of our creations.

We have also had a workshop run by the Cumbria County Council re-cycling team, who came to talk about materials which can be re-cycled and showed us how to make useful objects from re-cycled materials. We also decorated our own bags for life to take home.

School clubs after school .

During the summer term there is a wide variety of clubs running by the school after 3.15.

Please can we ask parents to help us by informing us if your child is registered to attend one of these club so we can ensure they are safely escorted to the ASC following the club if required.

Can we also request that parents inform us as to where not they would like their child to attend the ASC after the club has finished. (usual time 4.15pm)
