**Tuesday 3rd May—Nursery re-opens at 8.30am following the bank holiday weekend.**

## Outdoor play in all weathers!!

As you are aware we pride ourselves in being a nursery who experience outdoor play in all weathers.

Therefore we ask that each child has their own wellies and waterproof suit at nursery at all times.

Also that they have a change of clothes in a bag on their peg.

Please can parents ensure that all their child's belongings are named to help us ensure that children go home with the correct belongings at the end of the day.

Thank you for your support on this matter.

## Thank you!

The nursery team would like to thank parents who returned a completed 'sharing bubble' last month.

Please find another attached and don't forget you can help yourself to these as often as you like from the nursery cloakroom area.

We really would like to know what your child is learning at home so we can help your child during their time at nursery.

## A BIG Thank you.

Thank you to everyone who collected sponsorship for their child for our sponsored dancing activities for Red Nose Day 2011.

A fantastic total of £178.40 has been collected for the appeal so far, please return your sponsorship by Friday 25th March.

## A new face at nursery.

Over the past few weeks we have had an extra member of staff in nursery. Tasha has joined the nursery team, she is a qualified Primary teacher and brings vast knowledge and experience to the team. She will be extending her hours during the summer term.

## Birthdays in March and April.

We wish Happy Birthday to Alex.C, Samantha, Ben.F, Holly, Tyler, Zach, Mel, Ryan and Natalie.

## Celebrating the Royal Wedding at nursery.

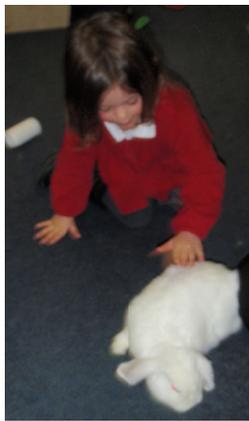

Please help us in celebrating the Royal Wedding of Kate and William at nursery with your child.

Weddings offer a vast range of learning experiences for children, from the family social occasion, to talking about why people are special to us, the dressing up and re-enacting of the ceremony, physical dancing fun and the many opportunities to talk about colours of dresses or flowers and shape of the special cake.

To help us celebrate we would like you to share photographs with us of your family weddings, if your child has been a bridesmaid or page boy, or if they are going to be soon, let us know and we can share the fun of this experience with your child.

Babies are one of the many topics of children's conversations at nursery at the moment and to support this we would like to share photographs of the children when they were babies, please could you let us have a photograph of your child as a baby in a named envelope, these will be returned to you.

## Busy learners!

Marie came to visit us at nursery from Pets at Home. She brought with her a rabbit and 2 guinea pigs for us to look at, we had to be very quiet so we didn't scare them, we also had to be very gentle.

Remember to  
complete your  
Sharing Bubbles!

Tyler is busy out in the garden, 'Hello, hello, yeah ok see you later bye.'  
He moves the wood across the garden.

Freya and James explore which vehicles travels the fastest down the guttering.
