## Funded Hours

If your child is eligible for funded hours, in the term *after* your child 3yo (15 /30 hours) or turns 2yo (some children) the nursery has created a funding offer to help best support your child getting the most out of their Early Years Education. Hours offered are outlined below. You will need to decide if you wish for your child to attend **term time only** therefore **not** attend all school holidays/half term breaks. Alternatively, choose for your child to attend **all year round ('stretched' funding)**, with the exception of Bank Holidays & 2 weeks over Christmas & New Year when we are **closed**.

All hours are offered **subject to availability** and where you wish your child to attend additional sessions beyond the funded hours allocated you may choose to pay for these and costs are outlined above - Non-Funded Places & Additional Session. Where your child's attendance exceeds the funded hours, the balance of hours will be charged to you each month. It is not possible to switch between Term Time and Stretched hours. However, you may choose for your child to have term time only funded hours and then to pay for holiday sessions separately or book on an ad hoc basis where space permits. **All Early and Late sessions** are payable for by parents and funding will not be applied to these hours.
