

Early Years Foundation Stage Framework

Information for Parents and Carers

What Is the Early Years Foundation Stage Statutory Framework?

The Early Years Foundation Stage (EYFS) statutory framework is a government document that all schools and Ofsted-registered early years providers in England must follow. It sets standards for the learning, development and care of your child from birth to 5 years old. The standards ensure your child will learn and develop well and are kept healthy and safe.

★ What Will My Child Be Learning?

The EYFS framework outlines seven areas of learning and development and educational programmes. There are three **prime** areas of learning, which are particularly important for your child's development and future learning:

communication and language

personal, social and emotional development

physical development

There are four **specific** areas of learning, through which the prime areas are strengthened and applied:

literacy

mathematics

understanding the world

expressive arts and design

Early years practitioners also use your child's needs and interests to plan challenging and enjoyable activities and experiences.

★ How Will My Child Be Learning?

The EYFS framework identifies the essential role of play in your child's development. It is through both child-led play and play guided by an adult that your child will develop confidence and relationships with others. Through play, EYFS practitioners will help your child to extend their vocabulary and develop their communication skills.

The EYFS framework identifies three characteristics of effective teaching and learning:

playing and exploring

active learning

creating and thinking critically

A greater focus on teaching specific skills will occur as your child progresses through their reception year, which will help them to prepare for year one.

★ How Will I Know How My Child Is Doing?

Each child in the EYFS has a key person who will work in partnership with you, sharing information about your child. EYFS settings may also use observations to share your child's key achievements.

EYFS practitioners use their professional knowledge to understand your child's level of development. If they have any concerns about your child's progress, they will discuss these with you.

Three formal assessments take place during the EYFS:

- Two-Year Progress Check (this will happen between the ages of 24 to 36 months)
- Reception Baseline Assessment (at the start of the reception year)
- Early Years Foundation Stage Profile (at the end of the EYFS)

Your child's Early Years Foundation Stage Profile will be shared with you at the end of the EYFS. This will inform you of your child's progress and whether they have met or are continuing to work towards their early learning goals (ELGs). There are 17 ELGs your child is expected to achieve by the end of the EYFS.

EYFS Early Learning Goals: Parent and Carers Guide

The Early Learning Goals (ELGs) are the goals or targets children are expected to achieve at the end of their reception year. They are not the curriculum, but an end point measure of what a child should be demonstrating at the end of the Early Years Foundation Stage. There are 17 ELGs across all the areas of learning as shown below.

Area of Learning	Aspect	Early Learning Goals
Communication and Language (C&L)	Listening, Attention and Understanding	<ul style="list-style-type: none"> Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions. Make comments about what they have heard and ask questions to clarify their understanding. Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.
	Speaking	<ul style="list-style-type: none"> Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary. Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate. Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

Personal, Social and Emotional Development (PSED)	Self-Regulation	<ul style="list-style-type: none"> Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.
	Managing Self	<ul style="list-style-type: none"> Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.
	Building Relationships	<ul style="list-style-type: none"> Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers. Show sensitivity to their own and to others' needs.

Area of Learning	Aspect	Early Learning Goals
Physical Development (PD)	Gross Motor Skills	<ul style="list-style-type: none"> Negotiate space and obstacles safely, with consideration for themselves and others. Demonstrate strength, balance and coordination when playing. Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.
	Fine Motor Skills	<ul style="list-style-type: none"> Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Use a range of small tools, including scissors, paintbrushes and cutlery. Begin to show accuracy and care when drawing.

Literacy (L)	Comprehension	<ul style="list-style-type: none"> Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate (where appropriate) key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.
	Word Reading	<ul style="list-style-type: none"> Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.
	Writing	<ul style="list-style-type: none"> Write recognisable letters, most of which are correctly formed. Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others.

Maths (M)	Number	<ul style="list-style-type: none"> Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.
	Numerical Patterns	<ul style="list-style-type: none"> Verbally count beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Area of Learning	Aspect	Early Learning Goals
Understanding the World (Utw)	Past and Present	<ul style="list-style-type: none"> • Talk about the lives of the people around them and their roles in society. • Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. • Understand the past through settings, characters and events encountered in books read in class and storytelling.
	People, Culture and Communities	<ul style="list-style-type: none"> • Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. • Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. • Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, nonfiction texts and (when appropriate) maps.
	The Natural World	<ul style="list-style-type: none"> • Explore the natural world around them, making observations and drawing pictures of animals and plants. • Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. • Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

Expressive Arts and Design (EA&D)	Creating with Materials	<ul style="list-style-type: none"> • Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. • Share their creations, explaining the process they have used. • Make use of props and materials when role playing characters in narratives and stories.
	Being Imaginative and Expressive	<ul style="list-style-type: none"> • Invent, adapt and recount narratives and stories with peers and their teacher. • Sing a range of well-known nursery rhymes and songs. • Perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music.
